

The Mount Currie Landslide Risk Assessment is now complete.

Please join us for a presentation of the findings at one of two community meetings. Both meetings are open to all Lil'wat Nation, Pemberton & SLRD Community Members.

Community Information Meetings

Wednesday, January 24th
Pemberton & District
Community Centre
Great Hall
6:30pm-8:30pm

Thursday, January 25th
Ull'us Community Complex
6:30pm-8:30pm

Meetings will consist of a presentation from BGC Engineering followed by a question and answer period.

The full report will be available for download on any of the websites below as of January 19th.
