

2026 Strategic Plan Progress Report

July, 2026 (Reporting on Q1 and Q2)

VISION

The Squamish-Lillooet Regional District (SLRD) will lead regional governance through collaboration, cooperation and engagement among its members, partners and all levels of government.

Our vision for the region is one comprised of diverse, distinct and livable communities that work together and share a commitment to practice economic, social, and environmental sustainability

MISSION

To enhance the quality of life of constituents through the facilitation and delivery of regional and community services for the benefit of present and future generations.

VALUES

- To govern with courage, integrity and respect in an open, honest and responsive manner, using the best available information.
- To respect social, environmental and economic values and limitations while maintaining a high quality of life in all areas of our diverse region.

Strategic Priority Areas

In keeping with the goals outlined in the [Regional Growth Strategy](#), key priority areas are identified through the strategic planning process at the beginning of each Board's mandate, and reviewed annually. The SLRD's annual Corporate Action Plan and departmental workplans are informed by the Strategic Plan, with all work aligned to the SLRD's Strategic Priority Areas.

Community Well-being and Livability

- Affordable Housing
- Regional Transit

Emergency Planning, Response & Recovery

- Fire Services Review
- FireSmart Program Implementation
- EOC Tabletop Exercises and Training

Truth, Reconciliation & Relationships

- Indigenous Relations, UNDRIP
- Community Partnerships
- Government Partnerships

Climate Action & Sustainability

- Environmental Sustainability
- Economic Sustainability
- Cultural Sustainability

Responsible Governance & Service Excellence

- Performance Management
- Governance Excellence
- Service Capacity Alignment

Advocacy

- Regional Transit
- Regional Health
- Rural Road Service

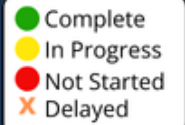

Table of Contents

Vision, Mission, Values and Strategic Priority Areas	3
Strategic Priority Area: Community Well-being & Livability	4-6

Strategic Priority Area: Truth, Reconciliation & Relationships	11-12
Strategic Priority Area: Climate Action & Sustainability	13
Strategic Priority Area: Responsible Governance & Service Excellence	14-19
Strategic Priority Area: Advocacy	20
Completed Items (2025)	21-27

Strategic Plan Progress Report

COMMUNITY WELL-BEING & LIVABILITY

PROJECT	LOCATION	TIMELINE	STATUS	COMMENTS	REGIONAL GROWTH STRATEGY (RGS) GOAL ALIGNMENT
Anderson Lake North Park	Area B	TBD	In Progress	Reviewing project next steps with Tsal'alh Chief & Council. Report with further details will be brought to future Board meeting.	RGS Goal 8: Enhance Relations with Indigenous Communities and First Nations
Sea to Sky Trail	Area C	Q3 2026	In Progress	Gord's Garden to Nairn Falls – requires re-route due to Ministry of Transportation and Transit (MOTT) gravel reserve. REDIP grant extended to allow for re-route work in summer of 2026. We have received MOTT approval. Re-route consultation with Lil'wat Nation. Cheakamus Canyon section is currently in design phase and needs MOTT approval.	RGS Goal 6: Encourage the Sustainable Use of Parks and Natural Areas
UPDATED: Friendship Trail	Area C	Ongoing	In Progress	Continue with obtaining right-of-way access from property holders for Friendship Trail access and maintenance. Staff continue to work towards these rights-of-way to be able to maintain the trails for safety of users.	RGS Goal 6: Encourage the Sustainable Use of Parks and Natural Areas
UPDATED: Design and construction of Catiline Creek Debris Flow Mitigation Structure at Lillooet Lake Estates	Area C	Q4 2027	In Progress	The construction phase is underway, with the SLRD's general contractor Coastal Mountain Excavations Ltd. Excavation of Catiline Creek above the FSR and through the RSR right of way is underway as well as berm construction above the FSR on either side of Catiline Creek. The bridge replacement by the Ministry of Forests is complete, and traffic is being directed over the new bridge from Monday, June 22, 2026. Lower section of Gate 5 road realignment construction paused until further notice.	RGS Goal 7: Create Healthy and Safe Communities
Black Tusk Water and Wastewater Service Establishment	Area D	Q4 2026	In Progress	Black Tusk Strata signed a Letter of Intent with the request for transfer of Black Tusk Village Water and Wastewater Systems to the SLRD. SLRD awaiting information and reports from Black Tusk Strata. Timeline dependent on Black Tusk Strata.	RGS Goal 7: Create Healthy and Safe Communities
Squamish Library Service Establishment	Area D	Q1 2027	In Progress	In April 2025, the Board prioritized this financial contribution service establishment (Electoral Area D) to support library services provided by the Squamish Public Library to occur after two other service establishments.	RGS Goal 7: Create Healthy and Safe Communities
UPDATED: Potential service establishing bylaw to provide financial contribution to support local animal welfare organizations	Area C	Q3 2027	Not Started	Based on recommendations by the Pemberton Valley Utilities and Services (PVUS) Committee, the Board approved the Board approved this potential new service establishing bylaw.	RGS Goal: Create Healthy and Safe Communities

Strategic Plan Progress Report

COMMUNITY WELL-BEING & LIVABILITY

PROJECT	LOCATION	TIMELINE	STATUS	COMMENTS	REGIONAL GROWTH STRATEGY (RGS) GOAL ALIGNMENT
UPDATED: Britannia Beach Community Association Service Establishment	Area D	TBD	X	Potential new financial contribution service establishment (Britannia Beach) to support the operations of the Britannia Beach Community Association including its management and operation of the Britannia Beach Community Centre. Staff are currently awaiting an opportunity to meet with the BBCA Board.	RGS Goal 7: Create Healthy and Safe Communities
Develop Film Permit Process	Regional	Q4 2026	X	Staff are developing a limited scope and low barrier film permit program for the Board's consideration at a future Board meeting.	RGS Goal 4: Achieve a Sustainable Economy
Gates Lake Upgrades & Maintenance	Area C	Q3 2026	●	Staff have received the construction permit from Vancouver Coastal Health for the potable water system and currently have a Request for Proposals open until July 3, 2026. The Birken Recreational and Cultural Society have signed an agreement for managing the park for 2026.	RGS Goal 6: Encourage the Sustainable Use of Parks and Natural Areas
UPDATED: Potential service establishing bylaw to provide financial contribution to support economic development organizations	Area C	Q3 2027	●	Based on recommendations by the Pemberton Valley Utilities and Services (PVUS) Committee, the Board approved the potential new service establishing bylaw.	RGS Goal 4: Achieve a Sustainable Economy
NEW: Furry Creek Community Association (FCCA) trail maintenance funding request	Area D	Q3 2026	●	The Board approved a partnering agreement framework to support the provision of funding to FCCA for trail maintenance on privately-owned land. This framework consists of several steps, the first of which is for the landowner and FCCA to enter into an agreement authorizing FCCA to undertake this kind of work on such privately owned land. Once this is completed, the parties can move on to step #2.	RGS Goal 7: Create Healthy and Safe Communities
NEW: OCP Zoning amendment for Birken Schoolhouse	Area C	Q2 2027	●	The SLRD will work on the process to modify the current lease of the Birken Schoolhouse to allow the Birken Recreation and Cultural Society the ability to pursue a lease directly with the Province. The first step required is to rezone the parcel, so it is zoned for its intended use of Public Lands and Facilities. This is on hold due to staff capacity.	RGS Goal 6: Encourage the Sustainable Use of Parks and Natural Areas
NEW: Community Economic Development Projects	Area B	Q4 2026	●	Economic Development Capacity Building Grant from Northern Development Initiatives Trust to be used in 2026 to hire a Community Economic Development Liaison to undertake various eligible activities.	RGS Goal 4: Achieve a Sustainable Economy

Strategic Plan Progress Report

COMMUNITY WELL-BEING & LIVABILITY

NEW: Audits required under the Accessibility Plan	Regional	Q4 2026		Procurement processes are undertaken for two separate audits: (1) audit of the Pemberton Transfer Station; and (2) process audit of the SLRD's public facing processes.	RGS Goal 7: Create Healthy and Safe Communities
COMPLETED: Britannia Beach Water System Capacity Assessment	Area D	Q1 2026		With funding through the Local Government Housing Initiative (LGHI), SLRD is having an assessment completed of the Britannia Beach Water System to review its capacity for current and future development with a focus on additional densities that were introduced to meet the legislative requirements of Bill 44 Housing Statutes (SSMUH). Report presented to the Board in April 2026.	RGS Goal 7: Create Healthy and Safe Communities
COMPLETED: Regional Affordable Housing Forum	Regional	Q2 2026		SLRD supported and participated in the 2026 Regional Affordable Housing Forum, a staff-level workshop hosted by WCS Engagement + Planning. Remaining LGHI grant funds provided financial support to the workshop.	RGS Goal 3: Generate a range of quality affordable housing
COMPLETED: Squamish Valley Agricultural Plan Service Establishment	Area D District of Squamish	Q2 2026		Service establishment (Electoral Area D and the District of Squamish) to support activities related to the Squamish Valley Agricultural Plan. The Board adopted SLRD Squamish Valley Agricultural Plan Service Establishing Bylaw No. 1946-2026 on May 27, 2026. A new cost centre for the service will be incorporated into the 2027–2031 budget process.	RGS Goal 10: Protect and Enhance Food Systems

Strategic Plan Progress Report

EMERGENCY PLANNING, RESPONSE & RECOVERY

PROJECT	LOCATION	TIMELINE	STATUS	COMMENTS	REGIONAL GROWTH STRATEGY (RGS) GOAL ALIGNMENT
UPDATED: Community Evacuation Mapping Tools and Resources	Regional	Q4 2027	In Progress	In collaboration with community response organizations and fire departments, this project intends to develop and deliver consistent mapping resources tools to support community evacuations and other emergency response activities. As of Q2, Electoral Area B maps are complete, and the project scope is being expanded with new mapping and evacuation tools being developed with IT / GIS support and 2026 grant funds (Pemberton Valley Flood Evacuation Project).	RGS Goal 7: Create Healthy and Safe Communities
UPDATED: Mount Meager Monitoring Project	Area C	Q2 2027	In Progress	Funded through the UBCM CEPF, this project will install landslide monitoring equipment on Mt Meager so that technology can be developed to provide early warning of landslide hazards that might impact communities in the Pemberton Valley. As of Q2 2026, this project is on schedule. The equipment is currently being tested and will be installed in the coming weeks. NRCAN has also provided additional equipment in support of this project.	RGS Goal 7: Create Healthy and Safe Communities
UPDATED: SLRD Structure Protection Unit Capacity	Regional	Q1 2028	In Progress	Funded through a multi-year CRI grant, this project will result in the procurement of an SLRD owned structure protection that will service the communities protected by the Britannia Beach VFD and Garibaldi VFD. In 2024, the SPU trailer was purchased and in 2025 the trailer was outfitted with additional SPU equipment. More equipment and shelving to be added in Q3 2026.	RGS Goal 7: Create Healthy and Safe Communities
UPDATED: SLRD Critical Infrastructure Wildfire Resiliency	Regional	Q4 2027	In Progress	This project is being undertaken to ensure that SLRD owned infrastructure is being hardened against wildfire risk. Work is underway to identify high-risk SLRD-owned infrastructure/ property and establish specific mitigation plans.	RGS Goal 7: Create Healthy and Safe Communities
FireSmart Surge Mutual Aid Agreement	Regional	Q3 2026	In Progress	Working with FireSmart programs across the region, this project intends to establish a regional FireSmart surge capacity that can be deployed to support individuals and communities who need to take immediate action to increase the survivability of their property due to wildfire risk. Project is currently on hold, following discussions with partner jurisdictions. Internal discussions are underway.	RGS Goal 7: Create Healthy and Safe Communities

Strategic Plan Progress Report

EMERGENCY PLANNING, RESPONSE & RECOVERY

PROJECT	LOCATION	TIMELINE	STATUS	COMMENTS	REGIONAL GROWTH STRATEGY (RGS) GOAL ALIGNMENT
Next Generation 911	Regional	Q1 2027	In Progress	This project is being undertaken to ensure that communities in the SLRD are ready to transition to the CRTC mandated Next Generation 911 service. The TELUS NG911 Local Government Agreement has been executed (10-year term) and the SLRD has received \$145K to support NG911 readiness activities which will include addressing data review and migration, technology alignment, and civic addressing.	RGS Goal 7: Create Healthy and Safe Communities
UPDATED: Seton Firehall expansion	Area B	Q4 2027	In Progress	Concept plan completed. Mechanical and Structural engineering firms hired for building permit requirements. Hazardous material survey completed. All building permit required files have been submitted.	RGS Goal 7: Create Healthy and Safe Communities
UPDATED: Regional Disaster Debris Management Plan	Regional	TBD	Not Started	This project will develop an emergency plan for SLRD disaster debris infrastructure and for the management of large-scale disaster debris disposal.	RGS Goal 7: Create Healthy and Safe Communities
UPDATED: Community Emergency Plans	Regional	Q4 2027	In Progress	This project is to update the Community Emergency Plans for all communities in the SLRD. These plans outline community specific hazards and risks, and corresponding response capacity, considerations, and processes. Maps for Areas A and B will be completed in 2027 and Areas C and D will be 2027. Also in 2027, grant money related to the Community Wildfire Evacuation Exercises Project will be used to validate the Community Emergency Plans. The Community Emergency Plans will also contain a Neighbourhood Resiliency Plan Template and Resource Guide, where we intend to work with communities as interest and capacity allows them to promote and develop their inherent resiliencies.	RGS Goal 7: Create Healthy and Safe Communities
UPDATED: Area B Civic Addressing Project	Area B	Q4 2026	In Progress	Part 2: To install civic address signs on properties with assigned civic addresses in Area B for emergency purposes. This work is being done in two parts; part one was completed in 2025 and part two installation will take place in the fall of 2026.	RGS Goal 7: Create Healthy and Safe Communities

PROJECT	LOCATION	TIMELINE	STATUS	COMMENTS	REGIONAL GROWTH STRATEGY (RGS) GOAL ALIGNMENT
UPDATED: Strengthening SLRD Fire Service Delivery and Support	Regional	Q2 2026	●	Project undertaken to address issues and opportunities outlined in the 2024 Fire Services Review. Project aims to strengthen and support fire protection agencies in the region. As of Q3, Tim Pley & Associates has been retained to lead the Fire Services Resiliency Project. Staff have developed a communications plan which has been implemented. After consultations with community fire protection societies continues (Gun Lake, Bralorne, Pemberton Meadows, Birken) and thorough review, draft service agreements were shared with the society departments. Additional meetings are required; service agreements should be signed by the end of Q3 2026.	RGS Goal 7: Create Healthy and Safe Communities
UPDATED: Volunteer Fire Department Equipment and Training Fund Project	Regional	Q4 2026	●	To support eligible volunteer fire departments across the region, the SLRD is seeking grant funding to support training activities and the purchase of equipment to support firefighting activities. The SLRD was the successful recipient of 183K through CEPF. Staff are coordinating with eligible fire departments to support acquisitions. A one-year project extension has been approved by UBCM. An additional one-year extension was granted. Project to wrap up by Q4 2026.	RGS Goal 7: Create Healthy and Safe Communities
UPDATED: Wildfire Mitigation Support for Agriculture Properties	Regional	Q4 2027	●	Through funding support from CRI, this project intends to increase support to ranchers and producers in the SLRD to mitigate wildfire risk on their agricultural properties.	RGS Goal 7: Create Healthy and Safe Communities
NEW: SLRD-wide Civic Addressing Project	Regional	Q4 2027	●	Part 3: Public education and outreach to all areas, communicating the importance of civic addressing, SLRD civic addressing services and promoting a low barrier civic addressing application process including potential to provide standardized subsidized civic addressing signs at no charge to the public.	RGS Goal 7: Create Healthy and Safe Communities
UPDATED: Paradise Valley Bailey Bridge Repair Project	Area D	Q4 2026	●	The SLRD is working with the District of Squamish to mitigate community impacts related to the repair of a bridge in the District of Squamish that provides access for properties in Paradise Valley, Electoral Area D. As of Q2 2026 the District of Squamish/ SLRD communications plan has been developed and implemented. DOS intends to undertake the bridge repairs in August-September 2026.	RGS Goal 7: Create Healthy and Safe Communities

EMERGENCY PLANNING, RESPONSE & RECOVERY

PROJECT	LOCATION	TIMELINE	STATUS	COMMENTS	REGIONAL GROWTH STRATEGY (RGS) GOAL ALIGNMENT
VOP/ SLRD – Temporary Structure Install for Fire Truck	Area C	Q3 2026		Staff are coordinating with the Village of Pemberton on the installation of a temporary structure for their new fire truck.	RGS Goal 7: Create Healthy and Safe Communities
UPDATED: EOC SharePoint Project	Regional	Q2 2027		This project is intended to develop an MS SharePoint framework so that it can support the SLRD Virtual EOC. This project has not been initiated and will likely not be in 2026 due to the approval of other grant funded projects (Pemberton Valley Flood Mapping and Wildfire Exercises), ongoing Place Glacier EOC activation, focus on Evacuation Mapping and Community Emergency Plans.	RGS Goal 7: Create Healthy and Safe Communities
Place Glacier Emergency Response	Area C	Ongoing		This ongoing emergency response is managing the Place Glacier Outburst Flood Hazard.	RGS Goal 7: Create Healthy and Safe Communities
Joint SLRD/ Village of Pemberton Flood Evacuation Planning and Exercise	Area C Village of Pemberton	Q3 2026		This joint exercise with VOP and SLRD is funded by the CEPF Public Notification and Evacuation Route Planning grant. The VOP is leading this project with SLRD support. A consultant has been retained by the VOP to deliver the exercise in Q3 2026. Project is underway and on schedule.	RGS Goal 7: Create Healthy and Safe Communities
UPDATED: Community Wildfire Evacuation Exercise	Regional	TBC		The SLRD is pursuing grant funding from the CEPF to conduct a series of wildfire evacuation exercises in 2026. The project has been scoped, and the grant application has been submitted.	RGS Goal 7: Create Healthy and Safe Communities
UPDATED: 2026 Residential Wildfire Preparedness and Mitigation Program	Regional	Q4 2027		The UBCM CRI grant-funded 2026 program aims to empower residents to create and maintain resilient homes and communities. Program includes FireSmart home assessments and mitigation rebates, a Neighbourhood Recognition Program and community education events.	RGS Goal 7: Create Healthy and Safe Communities
UPDATED: Pemberton Fire Service Agreement Renewal	Area C	Q4 2026		This project is being undertaken to ensure continuity of fire services for SLRD Area C communities serviced by the Village of Pemberton Fire Service. Discussions have started. Still on track.	RGS Goal 7: Create Healthy and Safe Communities
COMPLETED: Open fire regulation communications plan and alignment discussions	Regional			This project intends to raise awareness of fire season conditions, where to monitor for fire bans and wildfire risks, and how to recreate and open burn safely when there is no prohibition, and to engage with Member municipalities, First Nation partners, British Columbia Wildfire Service, and other involved partners to explore options for aligning open fire prohibitions across the region. A communications plan was completed in 2025. Engagement continues.	RGS Goal 7: Create Healthy and Safe Communities

PROJECT	LOCATION	TIMELINE	STATUS	COMMENTS	REGIONAL GROWTH STRATEGY (RGS) GOAL ALIGNMENT
NEW: N'Quatqua – SLRD Community to Community meeting	Area C	Q3 2026	●	The Board identified strengthening relationships with N'Quatqua as an important priority and N'Quatqua leadership agreed to a meeting. The meeting is scheduled for September 2026.	RGS Goal 8: Enhance Relations with Indigenous Communities and First Nations
UPDATED: 2026 Nukw7ántwal Regional Gathering	Area C Village of Pemberton	Q4 2026	●	Elected officials and senior staff from Lil'wat Nation, Samahquam, Village of Pemberton and the SLRD convene to deepen relationships and advance, shared priorities and reconciliation--initially scheduled for 2025, the gathering was postponed due to cultural protocol. New date TBD. Village of Pemberton is the lead on this project for 2026.	RGS Goal 8: Enhance Relations with Indigenous Communities and First Nations
UPDATED: Northern SLRD/Lillooet/ Northern St'át'imc Intergovernmental Leadership Committee	Area A Area B District of Lillooet	Q2 2026	●	Establishing an Intergovernmental Leadership Committee was a key recommendation from 2024 gathering, with mandate confirmed and feedback on Terms of Reference received at 2025 gathering. SLRD Board approved Terms of Reference Q1 2026. First meeting scheduled for June 2026.	RGS Goal 8: Enhance Relations with Indigenous Communities and First Nations
UPDATED: Future offsetting project to address federal requirements associated with Catline Creek Debris Flow Structure Project	Area C	Q4 2027	●	Department of Fisheries and Oceans Canada (DFO) approved the Offsetting Plan that was submitted in September 2025. A referral has been submitted to Lil'wat Nation and an Expression of Interest to the Disaster Resilience and Innovation Fund (DRIF) has been submitted with Lil'wat Nation staff support. A staff report will be coming to the Board in the coming months.	RGS Goal 8: Enhance Relations with Indigenous Communities and First Nations
Collaboration Agreement with Samahquam	Regional	Q4 2026	X	Through the course of the SLRD's Indigenous Engagement Requirements Project, staff developed a Communications Protocol with Samahquam, and at Samahquam's request, also drafted a Collaboration Agreement focused on collaboration with respect to emergency management. Samahquam would like to formalize and celebrate this agreement by convening a joint signing ceremony. Project on hold at Samahquam's request.	RGS Goal 8: Enhance Relations with Indigenous Communities and First Nations

PROJECT	LOCATION	TIMELINE	STATUS	COMMENTS	REGIONAL GROWTH STRATEGY (RGS) GOAL ALIGNMENT
Indigenous Relations Truth and Reconciliation Guide community engagement and communications plan	Regional	Q2 2026	●	Develop and implement a community engagement and communications plan to support the ongoing implementation of the Truth and Reconciliation Guide, with a focus on key dates including the SLRD's 10-year anniversary as a Regional Declaration of Reconciliation (2026), National Indigenous Peoples Day, the National Day for Truth and Reconciliation and St'át'imc Declaration Day.	RGS Goal 8: Enhance Relations with Indigenous Communities and First Nations
Territorial Acknowledgement project	Regional	Q4 2026	●	Develop territorial acknowledgement for all SLRD communications, including meetings, website, presentations and other materials with a communications plan to support both internal implementation and public-facing communications.	RGS Goal 8: Enhance Relations with Indigenous Communities and First Nations

Truth and Reconciliation: In Practice

A Guide for Working in a Good Way

In 2016, the SLRD became a Regional District of Reconciliation.

That commitment recognizes that reconciliation is a long-term process of rebuilding trust and strengthening relationships with Indigenous communities.

On October 22, 2025, the SLRD Board endorsed "Truth & Reconciliation In Practice - A Guide to Working in a Good Way."

Led by the SLRD and developed by Gwen Bridge Consulting, the Guide articulates the organization's vision for and commitment to the work, and also sets the stage for practical implementation.

The Guide and resources can be found on the SLRD's website.

Please visit us at **www.slrd.bc.ca** to review the Guide and resources. Come back often, as resources will continue to be added.

Strategic Plan Progress Report

CLIMATE ACTION & SUSTAINABILITY

PROJECT	LOCATION	TIMELINE	STATUS	COMMENTS	REGIONAL GROWTH STRATEGY (RGS) GOAL ALIGNMENT
Regional Growth Strategy Climate Action Prioritization and Implementation Strategy	Regional	Q4 2027	●	Aligning the Climate Action strategic priority into an overall strategy, with the goal of including Climate Action Implementation Strategy (based on RGS Climate Action Strategic Directions prioritization) as an addendum to the Regional Growth Strategy.	RGS Goal 11: Take Action on Climate Change
UPDATED: Solid Waste Resource Management plan 10-year update	Regional	Q4 2028	●	The current Solid Waste Resource Management Plan was completed in 2016 and approved by the Ministry of Environment in 2019. Staff are working with KGS on the update. The Engagement Strategy was presented to Board on January 29, 2026. The call for volunteers to join the Public and Technical Advisory Committee (PTAC) has taken place and staff brought the recommendations to the May Board meeting. Staff are preparing for the first PTAC meeting.	RGS Goal 11: Take Action on Climate Change
UPDATED: Pemberton North Water Metering	Area C Village of Pemberton	Q4 2027	●	Through a grant from the Ministry of Housing and Municipal Affairs, the SLRD is implementing universal water metering for all properties in the Pemberton North Water Service Area as part of its participation in the BC Water Meter Pilot Project. This initiative is aimed at collecting detailed water usage data to support conservation leak detection and long-term planning. Approximately 75% of installs are complete; residents are being contacted to book appointments.	RGS Goal 11: Take Action on Climate Change
UPDATED: Bralorne Sewer Marmot Main & Whiting Avenue Tie-ins	Area A	TBD	●	Sewer system must be decommissioned by January 1, 2031. Fifteen properties remaining to be tied into the new system. Permits have been received for sewer work on Marmot and Bralorne Adventure Lodge and work is scheduled to be completed in summer 2026. Staff are also working with homeowners on Whiting Avenue for additional tie-ins.	RGS Goal 7: Create Healthy and Safe Communities
UPDATED: Pemberton Valley Flood Risk Reduction Option Analysis	Area C Village of Pemberton	Q4 2027	●	Funded through the Emergency Management and Climate Readiness Disaster Resilience & Innovation Fund, this Village of Pemberton-led project will develop an options analysis to help guide future flood risk reduction projects and decision-making to manage flood risk for communities in Pemberton Valley. Current work involves flood risk modelling that will inform potential risk reduction options.	RGS Goal 7: Create Healthy and Safe Communities
NEW: Gold Bridge Septic Trench Closure Plan	Area A	TBD	●	As per a requirement from the Ministry of Environment, the septic trench will be phased out by 2030. A closure plan will be prepared by a qualified professional, and staff will develop a communications plan to ensure residents are aware of and prepared for the closure.	RGS Goal 7: Create Healthy and Safe Communities

Strategic Plan Progress Report

RESPONSIBLE GOVERNANCE & SERVICE EXCELLENCE

PROJECT	LOCATION	TIMELINE	STATUS	COMMENTS	REGIONAL GROWTH STRATEGY (RGS) GOAL ALIGNMENT
UPDATED: Employee Communications and Engagement Plan	Regional	Q3 2026	X	Developing an internal employee communications and engagement plan to improve internal communication, collaboration, staff retention, and performance. This project has been moved into 2026 to reflect feedback gathered through most recent employee engagement survey. It is currently delayed due to staff capacity.	
Sea to Sky Regional Hospital District Communications Plan	Area C Village of Pemberton Area D Resort Municipality of Whistler District of Squamish	TBD	●	Develop communications plan to increase community awareness of Sea to Sky Regional Hospital District role and activities. The plan is in draft form and with the CAO's office for further review and consideration.	RGS Goal 7: Create Healthy and Safe Communities
UPDATED: Budget Annual Reporting Lifecycle Project	Regional	Q 32026	●	Improving annual budgeting process and related communications and developing an annual report to align with the budget lifecycle and annual adoption of audited financial statements.	RGS Goal 4: Achieve A Sustainable Economy
UPDATED: Area C OCP Major Project Review	Area C	Q2 2028	●	This is a legislated requirement and is scheduled for 2026 and involves a major update to the Electoral Area C Official Community Plan.	RGS Goal 1: Focus Development into Compact, Complete & Sustainable Communities
SLRD Zoning Bylaw Consolidation Project	Regional	Q4 2027	●	This project will see all zoning bylaws in the SLRD consolidated into one bylaw for ease of use, streamlining of terms, and reduction of costs for bylaw updates and amendments.	RGS Goal 1: Focus Development into Compact, Complete & Sustainable Communities
NEW: Animal Control Bylaw Options	Regional	Q2 2027	●	Staff are to come back to the Board with a report at a future meeting on proposed options for SLRD bylaw on dangerous or problematic animals.	RGS Goal 7: Create Healthy and Safe Communities
NEW: Report on Non-market Housing Fee Waiver	Regional	Q4 2026	●	Staff are to bring forward a report for Board consideration regarding the development application fee waiver for all non-market housing development applications.	RGS Goal 3: Generate a Range of Quality Affordable Housing
NEW: External Auditors Procurement for 2026-2030	Regional	Q3 2026	●	A requirement every 5 years to go to tender for external audit requirements.	

Strategic Plan Progress Report

RESPONSIBLE GOVERNANCE & SERVICE EXCELLENCE

PROJECT	LOCATION	TIMELINE	STATUS	COMMENTS	REGIONAL GROWTH STRATEGY (RGS) GOAL ALIGNMENT
Wildfire Protection Policy Work	Regional	Q4 2026	In Progress	This work involves updates to development permit requirements and other planning documents to reflect best practices in wildfire protection. Bylaws have received first reading. Work is being funded through CRI grant.	RGS Goal 7: Create Healthy and Safe Communities
Area C Zoning Bylaw Major Review	Area C	Q4 2027	Not Started	The Electoral Area C Zoning Bylaw needs a major review and update. This will be in concert with the Electoral Area C OCP update; staff intend to initiate in Q2 of 2027.	RGS Goal 1: Focus Development into Compact, Complete & Sustainable Communities
Area D Zoning Bylaw Update	Area D	Q4 2026	In Progress	The Electoral Area D Zoning Bylaw requires updates to align with changes made by the Agricultural Land Commission. Bylaws received 2nd reading at the September 2025 Board meeting.	RGS Goal 10: Protect and Enhance Food Systems
Area D OCP Bylaw Updates and Edits	Area D	Q4 2027	Not Started	The Electoral Area D Official Community Plan requires some minor updates and edits.	RGS Goal 1: Focus Development into Compact, Complete & Sustainable Communities
Building Permit Scanning Project	Regional	Q4 2027	In Progress	This project involves manual scanning of all building permit files so that all files can be accessed by the staff, the building and real estate community and property owners electronically. 65 boxes of the most recent files have now been scanned with ~150 boxes to be scanned in the future.	RGS Goal 9: Improve Collaboration Among Jurisdictions
UPDATED: Employee Handbook Revision	Regional	Q4 2026	In Progress	The SLRD Employee Handbook (adopted in 2003) requires substantial updates. Staff are aiming to initiate this work in the second half of 2026.	
UPDATED: Aster Street Shared Occupancy Agreement (SLRD Administration Building)	Regional	TBD	Delayed	This project will be initiated after completion of the Pemberton Recreation Service Transfer. Put on hold due to capacity during elections year.	
UPDATED: New Financial Policy Development	Regional	Q4 2026	In Progress	Development and Improvement of various SLRD financial policies including grants, investments, administration charges, Community Works Funds, BC Hydro PILT, permissive tax exemptions and per diem policies.	RGS Goal 4: Achieve a Sustainable Economy

Strategic Plan Progress Report

RESPONSIBLE GOVERNANCE & SERVICE EXCELLENCE

PROJECT	LOCATION	TIMELINE	STATUS	COMMENTS	REGIONAL GROWTH STRATEGY (RGS) GOAL ALIGNMENT
UPDATED: Financial Software Optimization and Performance	Regional	Q4 2026	In Progress	Software upgrades and process improvements for the SLRD's financial ERP system to improve report functionality for department managers and enhance and optimize annual budgeting processes.	RGS Goal 4: Achieve a Sustainable Economy
Maximum Requisition Increases – Pemberton Rescue Service, D'Arcy Devine & Birkenhead Refuse Service and Seton Portage/ Tsal'ah Fire Protection Service	Regional	Q4 2026	In Progress	SLRD services have reached their current maximum limit, and increases are required to ensure sufficient funding for continuation of service levels. Staff will prioritize services requiring increases and complete the increase process, which requires provincial inspector approval. As of Q2, a consultant has been engaged to assist with the workload required for this project. Bylaw amendments and initial report development are in progress.	RGS Goal 4: Achieve a Sustainable Economy
Long-term Capital Plan	Regional	Q3 2026	In Progress	Project to develop a long-term capital plan using the organizations asset management systems and data to improve asset management and sustainable capital planning processes within the SLRD.	RGS Goal 4: Achieve a Sustainable Economy
UPDATED: Potential Financial Contribution Service Establishment to District of Squamish towards its recreation services, assets and amenities	Area D District of Squamish	Q3 2027	In Progress	This project is currently in the information gathering stage and will come to the Board in the coming months.	RGS Goal 7: Create Healthy and Safe Communities
UPDATED: Procedure Bylaw Review Including Electronic Meetings/ Delegations Provisions	Regional	Q3 2026	In Progress	Procedure bylaws are legislatively required and are one tool to support the governance process so that the public, board members and local government staff understand how decisions are made and what to expect at meetings. Procedure bylaw was adopted in May 2026. Electronic Meetings Policy is currently under review.	
UPDATED: Information Technology Security and Infrastructure Improvements	Regional	Ongoing	In Progress	In alignment with the IT workplan to protect assets, ensure cyber security compliance and maintain resilient infrastructure, these activities are now operationalized through an established cyber security program with dedicated budget. Annual penetration testing and vulnerability scanning area in place. Findings are under ongoing review, with continuous improvement processes embedded to strengthen security posture and system reliability.
