

CATEGORY 10

January 29, 2026

Dear Neighbour,

This letter is to provide details in anticipation of Category 10 - Season 2's arrival in your area

Filming Dates:

Minaty Bay: February 2–3, 2026

Blackmount Logging: February 4, 2026

All filming will be fully contained on private property. There will be no road closures or traffic disruptions associated with this production.

Description of Filming Activity:

Filming activities on February 2-3 at Minaty Bay will include the use of a boat-based platform operating offshore to simulate fog for filming purposes. Fog output will be carefully monitored to ensure there is no risk to public safety. The effect may be visible from shore and could briefly resemble smoke.

Filming on February 4th will be contained on private property.

A drone will be used during filming and will operate in full compliance with all applicable regulations and guidelines.

Ministry of Transportation and Infrastructure, CN Rail, Britannia Beach Fire Department and the FrontCounter BC have been notified and all required permits have been obtained.
