

The Seton Portage Area Integrated Hydrogeomorphic Risk Assessment is now complete.

Please join us for a presentation of the findings by BGC Engineering, followed by a Question & Answer session.

Community Information Meeting

Monday, April 16th, 2018

6—8 p.m.

Sk'il Mountain Community School

To ensure that as many questions as possible can be answered at the meeting, community members are encouraged to review the Assessment and submit their questions prior to the meeting to one of the community contacts below:

SLRD: Sarah Morgan (smorgan@slrd.bc.ca)

Tsal'alh: Crystal Branget (adm.tsalalh13@gmail.com)

The full report and related project information is available at:

www.slrd.bc.ca | www.tsalalh.net
