

How the SLRD Budget is distributed

Electoral Area B

Electoral Area B represents approximately 2% of the total SLRD tax requisition.

The circles represent SLRD services shared across Electoral Area B based on an estimated tax rate per \$1,000 of assessment value.

Percentages reflect how the SLRD budget is allocated within Electoral Area B. Property taxes vary from property to property by assessed value and services received.

Community-specific services in Electoral Area B, funded only by properties in those service areas.
