NOW IS THE TIME TO PREPARE FOR AN EVACUATION

An Evacuation Alert has been issued to prepare you to evacuate your premises should it be found necessary. Residents will be given as much advance notice as possible before evacuation; however, you may receive limited notice due to rapidly changing conditions.

WHAT YOU SHOULD DO:

- Pre-register for Emergency Support Services online at: ESS.gov.bc.ca/

- Locate all family members and designate a meeting area outside of the evacuation area, should an Evacuation Order be expanded while separated.
- Pack essential items such as government-issued ID, medications, eyeglasses, valuable papers (e.g., insurance, credit, and mortgage information), immediate care needs for dependents and, if time and space permits, keepsakes for quick departure.
- Prepare to move people who may need additional time to evacuate, children and/or neighbours who would require assistance.
- Prepare to take pets with you and move livestock to a safe area (if possible).
- Arrange transportation and accommodations for all your household members, if possible, and fill the gas tanks of personal vehicles.
- Wait for an Evacuation Order to be issued before evacuating.
