

INTRODUCING THE 2014 SUSTAINABILITY SPEAKER SERIES

FEBRUARY 26TH: MICHAEL SHUMAN

"Michael H. Shuman is one of the world's leading experts on community economics and the advantages of small-scale businesses in an era of globalization."

(Simon Fraser University, Community Economic Development Program)

Fostering a Vibrant Sea to Sky Regional Economy

Focusing on local economic development strategies from around North America, Mr. Shuman will provide compelling ideas and success stories of how communities shift economic development initiatives into creating more local wealth.

Mr. Shuman is an economist, attorney, author and entrepreneur. He has led community-based economic-development efforts across North America and has authored, coauthored, or edited eight books, and has written nearly 100 published articles. His most recent book is "Local Dollars, Local Sense: How to Move Your Money from Wall Street to Main Street and Achieve Real Prosperity."
