## **D'ARCY COMMUNITY WATER SYSTEM HYDRANT FLUSHING**

**Thursday, May 18, 2017**

**9:00 AM to 4:00 PM**

### **DISRUPTIONS TO WATER SERVICE ARE MINIMAL**

All inspections use low flowing water. Sediment should not be disturbed but you may experience some of the following in a very limited capacity:

- Water pressure may be temporarily reduced.
- You may experience temporary discoloration of water. If so, run water up to five to ten minutes - this should clear it up.
- Refrain from using a washing machine during this time.

If you have any questions or required additional information please contact the SLRD, Utilities & Environmental Services department at 604-894-6371.
