

FILMING NOTIFICATION LETTER

October 11, 2024

Dear Neighbours of **Squamish Valley Rd**,

Peacemaker Filmworks Inc. is filming some visual effects drone footage along Squamish Valley Rd in three areas. This footage is to complete previous work filmed in Europe. Because there needs to be weather continuity, production is requesting flexibility for the date range of October 16 – October 18. We would be filming on **only one** of these days within this range.

The drone will be following a vehicle along Squamish Valley Rd in three areas:

Area one: The bridge near Fergie's and the Cheekye Ranch (over Cheakamus River)

Area two: Squamish Valley Rd approximately between Squamish Valley Campground and the Camp Summit

Area three: Squamish Valley Rd approximately between the Sea-to-Sky Hwy and Government Rd

In order to conduct the filming of the drone safely, we will require intermittent traffic control while the drone is in the air. A launching and landing zone will be established, and production assistants will be there to maintain public and wildlife safety. The number of crew are between 10 – 15 people. There are no special effects, stunts or actors for this work.

We would like to provide some information that will help you prepare for our arrival and anticipate how our presence may affect your daily routine.

The following is an outline of our Filming Day, with approximate times of our activities:

One day between October 16 – October 18- To Be Determined- Overcast Sky Requirement

8:00am – 9:00am A Traffic Management Company arrives and begins to set up equipment and signage.

9:30am – 2:30pm Drone filming takes place on the road at three areas of Squamish Valley Rd.

2:30pm – 3:30pm The crew departs and the areas of staging are cleaned and restored.

INTERMITTENT TRAFFIC CONTROL (three – five delay every ten minutes)

A traffic management company will assist us in maintaining safe and efficient traffic control. In the event that the traffic shows signs of congestion, we will bring the drone back to the landing zone and release traffic.

If you have any questions regarding our work, or if you would like to be contacted once the day of weather continuity is chosen, please contact Ginger, Assistant Location Manager, at gingerelle31@gmail.com or at 778-233-9265. Ginger will be on site and available on the day of filming.

Information regarding filming in the District of Squamish is available through the City's Film Office directly at filmandevents@squamish.ca or Information regarding filming in the Lower Mainland may be obtained through Creative BC, the BC film commission at creativebc.com or 604-730-2732.

Thank you for your support of the BC film and television industry. We look forward to being your neighbours.

Sincerely,
Ginger Schabler
Assistant Location Manager
