ADDENDUM NO. 1

Accessibility Audit for the Pemberton Transfer Station

Issued: June 26, 2026

The following clarifications form part of the Request for Proposals documents and shall be read in conjunction with the original RFP documents.

Question 1:

Section P (Currency and Taxes) states that pricing is inclusive of all applicable taxes other than GST, while the draft Consulting Services Agreement refers to a maximum contract value "plus applicable taxes." Please confirm whether the \$20,000 maximum budget is exclusive of GST.

Response:

Pricing is inclusive of all applicable taxes other than GST. The maximum contract value includes all applicable taxes other than GST.

Question 2:

Would an audit conducted against CSA B651 and the BC Building Code, supplemented by recognized accessibility best practices, satisfy the SLRD's requirements? Is Rick Hansen Foundation Accessibility Certification (RHFAC) accreditation required?

Response:

Proponents are responsible for evaluating alignment with applicable standards, including determining what the applicable standards are.
