

# Curbside Collection

## QUICK START GUIDE

### 1. Curbside Collection

Recycling, organics and waste to landfill are collected curbside in the communities of Britannia Beach and Furry Creek.

- Curbside collection calendar available at [slrd.bc.ca/lovethisplace/aread](http://slrd.bc.ca/lovethisplace/aread)
- The recycling tote is for Paper and Packaging items accepted in the Recycle BC curbside program.
- Totes may only be placed at the curb between 6 am - 7 pm on collection day.
- Totes must be locked and stored in a Wildlife Resistant Enclosure until scheduled pick up.
- Leave 1 meter between totes.
- For more information on the organics program, visit [slrd.bc.ca/makesoilnotwaste](http://slrd.bc.ca/makesoilnotwaste).

### 2. What is Accepted

The Recycle BC curbside collection program accepts plastic, metal and carton containers/packaging as well as paper products.

Full list of accepted items [Recyclebc.ca/materials](http://Recyclebc.ca/materials)

### 3. Community Glass Depot

Britannia Beach and Furry Creek have community drop-off locations for glass bottles and jars.

Ask a neighbour for the location or visit [slrd.bc.ca/lovethisplace/aread](http://slrd.bc.ca/lovethisplace/aread).

### 4. Depot Only Items

Recycle BC accepts other materials for recycling at their depot locations (keep these items out of the curbside tote):

- Foam packaging
- Flexible plastics (plastic bags, overwrap, etc)
- Glass bottles and jars

See back for depot locations.

### 5. What is Contamination?

Items that are not accepted by the program or only accepted at depots are considered contamination. This includes accepted items that are not rinsed. Contamination reduces the recyclability of the community's recycling.

# DEPOT CHEAT SHEET
