

COMMUNITY Glass Drop-off

Did you know your community has a glass jar and bottle drop-off location?

Glass is not accepted in the curbside totes because it can break and mix with other materials, making them unrecyclable. It also poses a safety risk to workers who handle the materials during sorting.

Accepted: Glass Jars and Bottles

GLASS

**Empty and
rinse containers**

Glass bottles -
clear and coloured

Glass jars -
clear and coloured

Remove lids.
Place lids in curbside
recycling tote.

NOT ACCEPTED (Do NOT place with Glass)

Dishes and cookware

Windows and mirrors

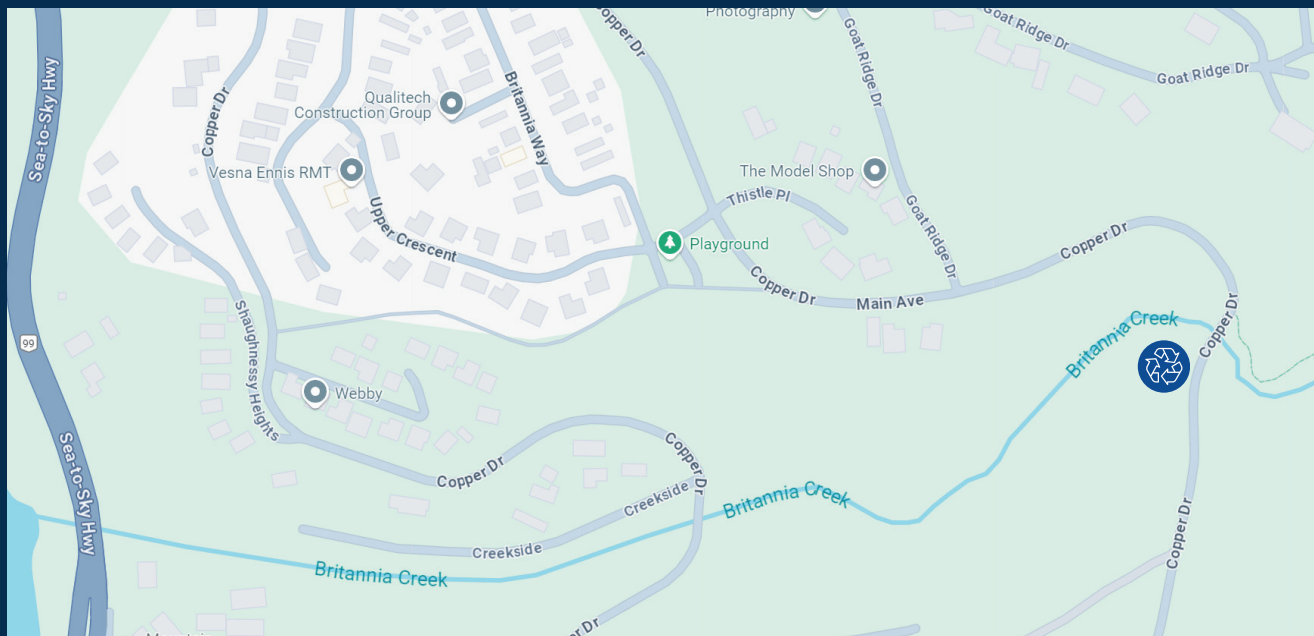

Ceramic products

Light bulbs

If you notice any illegal dumping or if the glass totes need servicing, please contact utilities@slrd.bc.ca
