

# Britannia Beach & Furry Creek

## 2026 Curbside Collection Calendar

We are the first community in BC to offer a curbside battery collection program. In 2025, we collected **1.250 kgs of batteries& electronics** from the curbside service alone. This equals our 2024 depot site collection of 1,318 kgs!

Garbage

Recycling

Compost

Battery

Weekly Compost services from May 6th - October 21st.

Reduce attractant odours by freezing or disposing of compost on collection day and thoroughly rinsing all items placed in the recycle tote.

Depot drop-off items include: Styrofoam, glass, film & flexible packaging, electronics & household hazardous waste.

Complimentary curbside battery collection on your service day: April 22nd and November 4th.

Collect your household batteries, small electronics, cell phones, tablets, laptops, video games, cables and cords in separate clear bags. On garbage week the bags will be hand collected from on top of your Recycle Tote. The Recycle Tote will indicate your participation and prevent the batteries from being tipped into the garbage truck.

Download the Squamish Curbside Collection app to stay updated on important schedule changes.

For tote repairs including critter-guard and clasps or service issues, please email: [squamishtotes@gflenv.com](mailto:squamishtotes@gflenv.com)

Reduce negative human-wildlife interactions by locking and storing attractant totes in an enclosure.

Have totes unlocked by 7:45am on your service day; latch clips together to avoid damage during service.

Service times can vary from week-to-week. On your service day: ensure totes are kept out and unlocked on time; leave 1 metre of clearance around each tote for truck access.
