EVACUATION ALERT RESCIND – SLRD ELECTORAL AREA C
Atmospheric River Flooding Event – Pemberton Valley

Rescinded: November 15 2026, at 1530 hrs

Based on consultation with subject matter experts, the SLRD has assessed that potential danger to life and health due to the recent atmospheric river flooding event has subsided to the degree that Evacuation Alert issued on November 11, 2026 at 2100 hrs is no longer required.

Effective November 15, 2026 at 1530 hrs, the Squamish-Lillooet Regional District has rescinded the Evacuation Alert applying to the following areas:

- **All SLRD properties in the Pemberton Valley as outlined in the attached map.**

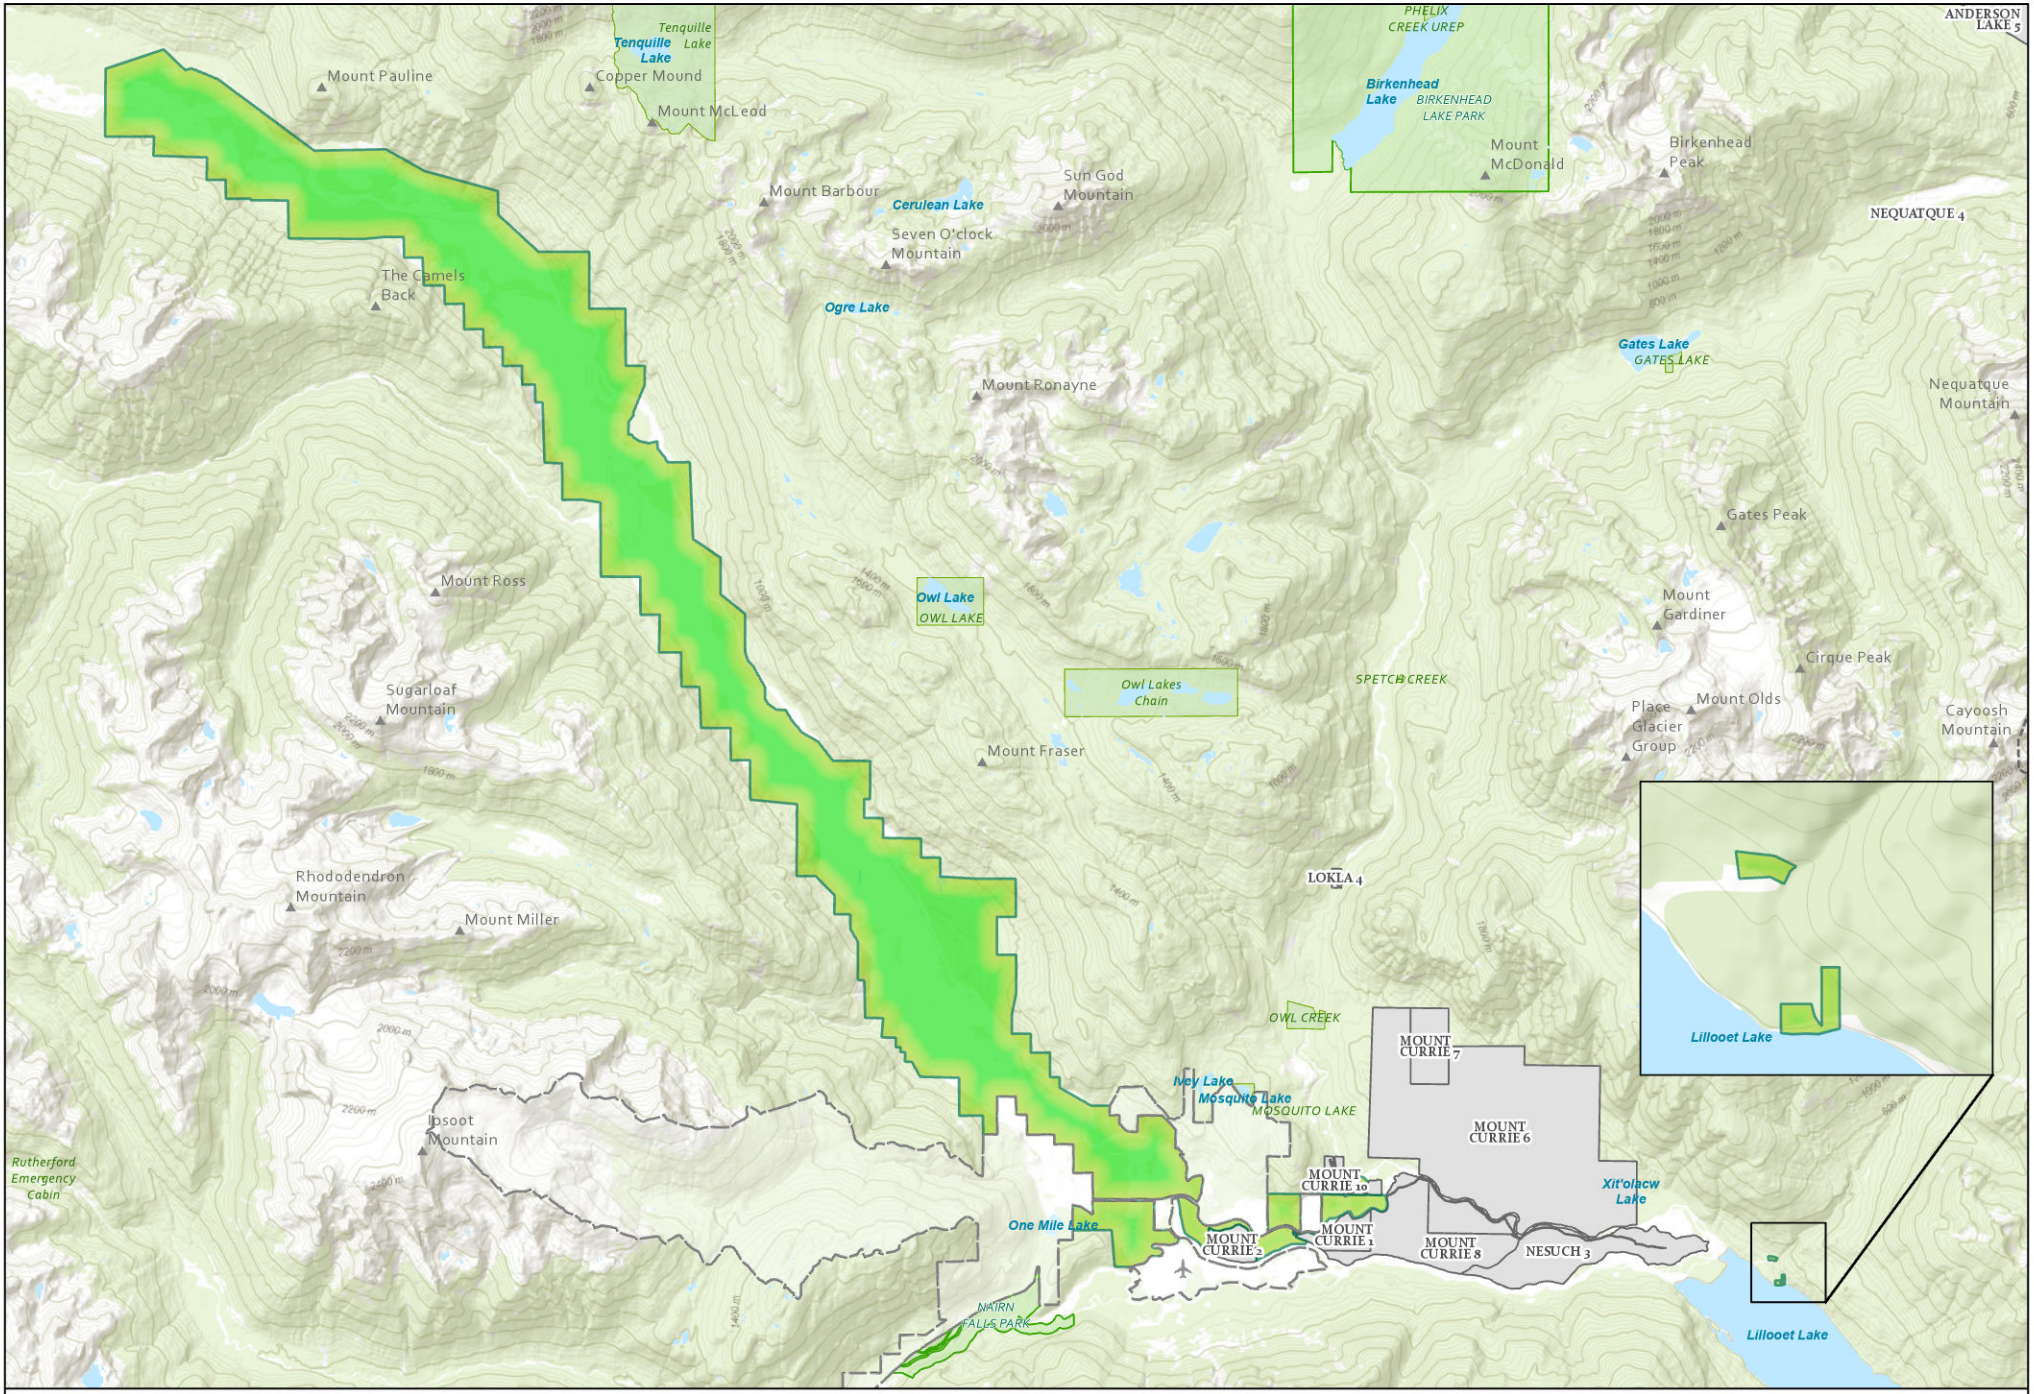

High Streamflow Advisories for Pemberton Valley remains in effect. Continue to use caution while driving and around water channels as there may still be hazards in the area.

Should conditions change, an Evacuation Alert and/or Evacuation Order will be reinstated as necessary.

IF YOU WERE IMPACTED BY FLOODWATER, WHAT YOU SHOULD DO:

- Refer to Flood Recovery information at: Recovering after a flood – PreparedBC
- If you identify new public safety issues, please call the SLRD 24/7 Public Safety Duty Officer at: (604) 384-7357

Subscribe to SLRD Alert for further information which will be posted in notices at https://www.slrd.bc.ca/eoc and through the SLRD Alert Messaging service. Subscribe to SLRD Alert for free at https://www.slrd.bc.ca/alert to receive emergency notifications via email, text messages, and voicemail.
