Mission Statement

The Lillooet Community Partners Resource Group (LPRG) is a forum to share information, programs, projects, issues and connections between and among community service agencies and local governments. Our mandate is to inform, support, and facilitate community resources within Lillooet, Northern St'at'imc Territory and the Northern half of the Squamish-Lillooet Regional District (SLRD). The LCPRG meets quarterly, and can be convened on an ad hoc basis if the need arises.

CPRG Goals

- Improve social well-being and physical health. Encourage the development of a healthy and engaged community.
- Support the development of quality community based services and supports.
- Facilitate community partnerships and foster collaborative practices in the community to maximize effectiveness of scarce resources and reducing duplication and competition.
- Facilitate communication and dialogue between community organizations, institutions and government.
- To provide an ongoing, organized presence in the community: something that does not have to be recreated each time an issue, need or opportunity arises.
- Supports communities in building an integrated approach to complex problems.
