

# Rocky Mountain Sherpas Inc. / DBA Sherpas Cinema Location Plan

Wednesday, August 10<sup>th</sup>, 2022

To whom it may concern,

Rocky Mountain Sherpas would like to film a TV commercial for Ram trucks on Crown land.

Our activities are as follows:

To capture footage of a Ram truck driving and parked on:

- Squamish Valley Road

-

Filming Locations:

- 1st Location:  
Lat: 49.80304° N  
Lon: 123.18253° W
- 2nd Location:  
Lat: 49.81047° N  
Lon: 123.19777° W
- 3rd Location:  
Lat: 49.83559° N  
Lon: 123.21772° W

No stunts, fire, explosives, cutting of vegetation, disturbance of soil or work in or about a body of water will be used in this production. We will only film the hero vehicle in motion.

There will be limited crew and vehicles at these locations of approx. 10-15 people / 4-5 vehicles. Crew and work trucks will stage on private property (location to be determined). First aid will be on location. PA's will help lock up any intersecting roadways.

An ultimate arm vehicle and drone will be used for filming purposes; however, the drone will not be used to harass wildlife. If wildlife is observed, the drone will immediately move away from the animal / area. Our drone work will comply with Transport Canada regulations.

Our filming will be for one day on August 26<sup>th</sup> from approx. 7:00AM to 11:00AM. There will be no prep, wrap or, alterations made to the roadway.

Thank you,

Keith Terrillon  
Location Manager
