

**SQUAMISH-LILLOOET REGIONAL DISTRICT
BY-LAW NO. 879-2003**

A By-law to require installation of sprinklers in the Wedge Wood Estates, Furry Creek community and the Pemberton North Water Service Area.

WHEREAS Section 694(1) (f) of the *Local Government Act* allows the Regional Board, by by-law, to establish areas to be known as fire limits and for those areas, regulate the construction of buildings in respect of precautions against fire;

NOW THEREFORE, pursuant to the above-cited and other authority, the Regional Board of the Squamish-Lillooet Regional District, in open meeting assembled, enacts as follows:

1. This By-law may be cited as “Squamish-Lillooet Regional District Fire Limit Establishment Bylaw No. 879-2003”.
2. In this bylaw the words and terms “*building*” and “*residential occupancy*” have the meanings set out in Div. A Part 1 Section 1.4.1.2 of the Building Code.

Fire Limit Areas

3. (1) Those parts of the Regional District shown outlined in heavy black on Schedules A and B and Schedule C, which are attached to and form part of this bylaw, are established as fire limit areas.
- (2) Every *building* for a *residential occupancy* within the Furry Creek fire limit area and every *building* for a *residential occupancy* having a floor area in excess of 250 square metres constructed within the Pemberton North fire limit and the WedgeWoods Estates fire limit area must be equipped with a fire sprinkler system tested in accordance with UL 1626 (2017) “Standard for Residential Sprinklers for Fire Protection Service” and installed in accordance with NFPA 13D-2016 “Installation of Sprinkler Systems in One and Two-Family Dwellings and Mobile Homes” or 13R-2016 “Installation of Sprinkler Systems in Residential Occupancies up to and including Four Storeys in Height.
