Our waste at a glance

Pemberton & Area

Divert waste from landfill by:

- ✓ Giving or repairing your used furniture, clothing, electronics, sports equipment or small appliances.
- ✓ Recycling and composting properly.

What goes where? Need help?

Download the BC Recyclepedia app!
Quick and simple tool that helps you find drop-off locations for over 70 materials and products across BC.

Wildlife

Access to waste (garbage, recycling and organics) is a leading cause of wildlife conflicts. Keep wildlife wild and your community safe:

- ✓ Store waste indoors or in bear-resistant containers. Truck canopies are not bear-resistant.
- ✓ Ensure recyclables are clean & stored indoors.
- ✓ Freeze smelly items in newspaper & rinse organic collection bins.

Leaving attractants accessible to wildlife is against SLRD bylaws & the BC Wildlife Act.

Report wildlife accessing attractants to the RAPP line at 1-877-952-7277 & SLRD Bylaw Service at 604-894-6371.
