### **WATER SERVICE INTERRUPTIONS**

Bralorne Townsite 1 will experience water service interruptions due to a water service repair. The contractor will be on site to complete the repair on Thursday, July 2 between 9:00am to 5:00pm.

When the water is turned back on you may experience the following:

- Water pressure may be temporarily reduced.
- You may experience temporary discoloration of water. If so, run water up to five to ten minutes - this should clear it up.
