

Project Update

July 14, 2014

Lillooet River FSR **CLOSED** to the Public

Link to MFLNRO Road Information:

<http://www.for.gov.bc.ca/dsq/Engineering/RoadInformation.htm>

Based on the Provincial volcanic landslide shutdown criteria for the Lillooet River FSR, the current

Hazard Level is rated **EXTREME**

To view the shutdown procedures, please go to:

http://www.for.gov.bc.ca/dsq/Engineering/dsq_engineering.htm

and refer to the report link:

[Volcanic Landslide Risk Management, Lillooet River Valley, BC: Start of north and south FSRs to Meager Confluence, Meager Creek and Upper Lillooet River](#)

If you have additional questions, please contact the MFLNRO Sea to Sky Office at 604-898-2100.

Notification will be provided when the Lillooet River FSR will be re-opened to the public.

NOTE: Exception to these access closures will be for industrial users that are operating under a "natural hazards operational safety plan" prepared by and signed off by a qualified professional, consistent with the guidelines set out by APEGBC/ABC FP (2008) and WorkSafeBC regulations.
