

# NOTICE OF PUBLIC INFORMATION MEETING ELECTORAL AREA A

## JOIN US FOR A MEETING TO DISCUSS SHORT-TERM RENTALS AND BED & BREAKFASTS

In response to increasing complaints regarding illegal short-term nightly rentals, as well as growing numbers of these rentals, the SLRD is seeking community input on these issues.

A public survey was conducted from February 6 to March 7, 2019 to collect information from local residents and provide direction for proposed zoning bylaw amendments.

This public meeting will be an opportunity to discuss proposed zoning amendments, review the feedback that was received through the public survey, and discuss how short-term rentals and bed & breakfasts should be addressed in Electoral Area A.

**Monday, July 22 2019**  
**5:00-6:30pm**  
**Gold Bridge Community Club**
