Bralorne Wastewater Treatment System Upgrade Project

The SLRD is seeking elector approval to borrow up to \$700,000 to complete the Bralorne Wastewater Treatment System Upgrade. The process of obtaining elector approval is via an Assent Vote (referendum) to borrow up to \$700,000 and to raise the maximum annual tax requisition amount to pay off the loan. General voting day for the Assent Vote is January 26, 2019 (in Gold Bridge), with advance voting on January 16, 2019 (in Gold Bridge) and on January 21, 2019 (in Pemberton).

Resident electors and non-resident property electors of the Bralorne Sewer Service Area are invited to attend the following meeting with SLRD staff:

Community Meeting

Tuesday January 15, 2019 at 6:00 p.m.

Bralorne Fire Hall

3155 Pioneer Road
Gold Bridge, BC

For additional details about the project and voting eligibility, please visit the [SLRD website](#).
