Questionnaire

McGillivray Falls Land Use Contract and Zoning Amendment Application

Background Information

DAW Holdings Ltd. has submitted an application to amend Land Use Contract (LUC) Bylaw No. 87, 1976 (McGillivray Falls) in order to facilitate a rezoning and future subdivision of the property. In order to subdivide the property it is necessary to remove that portion of DL 4363 (the proposed new lot) from the LUC and zone it under SLRD Zoning Bylaw No. 765, 2002. The portion of DL 4363 that comprises the proposed lot is currently designated Greenbelt in the LUC. The provisions of the LUC do not allow subdivision of the greenbelt area thus an amendment is required.
