

PROCLAMATION

“WASTE REDUCTION WEEK”

October 15 - 21, 2012

As a Regional District, we are committed to conserving resources, protecting the environment and educating the community. We recognize the generation of solid waste and the needless waste of water and energy resources as global environmental problems, and endeavor to take the lead in our community toward environmental sustainability.

We have declared October 15 - 21, 2012 “Waste Reduction Week” in the Squamish-Lillooet Regional District.
