

**Elector Response Form –  
Alternative Approval Process**

Squamish-Lillooet Regional District  
Britannia Creek Debris Flood Works  
Operations and Maintenance Service  
Establishment Bylaw No. 1601-2018

*Squamish-Lillooet Regional District Britannia Creek Debris Flood Works Operations and Maintenance Service Establishing Bylaw No. 1601-2018* (“Bylaw 1601-2018”) authorizes the Squamish-Lillooet Regional District (“SLRD”) to requisition funds for the purpose of providing operations and maintenance services for debris flood mitigation works on a segment of Britannia Creek within the community of Britannia Beach in Squamish-Lillooet Regional District Electoral Area “D”, and allows for service delivery contracts with external parties. The boundaries of the proposed service area and the parcels that shall be included are a portion of Electoral Area D, as shown on the drawing marked Schedule “A” (“Service Area”) attached to this form (i.e. all of Britannia Beach excluding the town center).

Under Bylaw No. 1601-2018, the maximum requisition amount for this service is estimated to be \$33.12 per parcel if a parcel tax method is implemented as planned. The maximum requisition would be the greater of \$6,757.05 or \$0.03643/\$1,000 applied to the net taxable value of land and improvements if an ad valorem tax was implemented. The \$6,757.05 maximum requisition value comprises a 20% share of total operations and maintenance expenses with the remaining 80% share being recovered from a separate service including properties in the Britannia Beach town center. The effective year/date of the service would be 2020 (there would not be a requisition in 2019).

Please note that these rates include the mandatory fee of 5.25% added by the Province of British Columbia to property taxes of unincorporated (electoral) areas.
