**Required Information** (see [SLRD Soil Deposit and Removal Bylaw No. 1423-2015](#), section 10 Permit Application Requirements, for details):

**A. Location of the site from which soil is to be removed from (for soil deposit permit) or the location of the site to which soil is to be deposited to (for soil removal permit):**

Civic Address (House No. , Street Name, Community/Local Government):

---

---

---

**B. The general description and volume of the soil to be deposited or removed:**

Type: \_\_\_\_\_

Description: \_\_\_\_\_

Volume (area x depth): \_\_\_\_\_

**C. Detailed plans, data and specifications for the proposed site, if required** under section 10.2 or 10.3 of the [SLRD Soil Deposit and Removal Bylaw No. 1423-2015](#) (please attached as separate pages).

Note that every application for a *permit* for more than 100 cubic metres (m<sup>3</sup>) of soil shall be accompanied by detailed plans, data, and specifications for the proposed site prepared by a *Registered Professional* to a scale of not more than 1:1,000, unless otherwise authorized by the *Director*, showing the contour of the ground in its current state and shall contain information regarding the *soil deposit or removal* with respect to the following matters:

- a) the location of the site from which *soil* is to be *removed* from, in the case of *soil deposition*, or the location of the site to which *soil* is to be deposited to, in the case of *soil removal*;
- b) the general description and volume of the *soil* to be *deposited* or *removed*;
- c) all features including buildings, structures, tree cover, roads, bridges, and natural watercourses;
- d) land uses and designations, such as ALR, zoning, floodplain areas, environmentally sensitive areas, and First Nations reserve land;
- e) the proposed slopes which will be maintained upon completion of the *soil deposit or removal*;
- f) the proposed methods to control the erosion of the banks of the *soil deposit or removal*;
- g) the proposed methods of drainage control during the *soil deposit or removal*;
- h) the proposed methods to control noise and dust generated by the proposed *soil deposit or removal*;
- i) the proposed methods and locations of access to the site during the *soil deposit or removal*;
- j) the proposed grading and rehabilitation plan for the *soil deposit or removal* site during and upon completion of the proposed *soil deposit and removal* operation, copies of any remediation or site closure plans filed with the *Ministry of Energy and Mines* and any *Agricultural Land Commission* remediation requirements;
- k) the proposed location of machinery, buildings, scales, and all other proposed structures and improvements;
- l) the proposed location of buffers and tree cover, and the location and grade width of berms;
- m) the proposed schedule for the *deposit or removal of soil*, indicating the amounts to be either *removed* or *deposited* on a monthly basis;
- n) the proposed routes to and from a *soil deposit or removal* area;
- o) a traffic management plan, which would include but not be limited to a description of the frequency of trucks, signage, placement of safety control devices, and other traffic control that would minimize the disturbance created;
- p) copies of all other necessary approvals and permits from Federal and Provincial authorities required by statute or regulation in connection with the proposed *soil deposit or removal*;
- q) if the proposed *soil deposit or removal* takes place on ALR land, information on the past and proposed farming activity, the relationship of the *soil deposit or removal* to existing or proposed farming activity on the land, impact on the agricultural capability of the land, and a report, prepared by a *Professional Agrologist*, identifying the positive benefit of the proposed *soil deposit or removal* to agriculture;
- r) a site reclamation plan including *Invasive Species Management Plan*, prepared by a *Registered Professional* to be incorporated into the *permit*.

Note that where the application relates to parcels (or portions thereof) that are:

- a) situated within the *Agricultural Land Reserve*;
- b) subject to flooding or floodplain hazards, including flood construction level covenants, save harmless covenants or identified on provincial flood mapping;
- c) situated within a development permit area pursuant to section 488(1)(a) of the *Local Government Act* (protection of the natural environment, its ecosystems and biological diversity)

the *Director* is entitled to require that such application also be accompanied by detailed plans, data and specifications for the proposed site prepared by a *Registered Professional* to a scale of not more than 1:1,000, unless otherwise authorized by the *Director*, showing the contour of the ground in its current state and containing information regarding the *soil deposit or removal* with respect to any (or all) of the matters set out in section 10.3 c) through r).

---

## Agent's Authorization

If the applicant is not the registered owner, the owner(s) must complete the owner information and attach a letter of authorization, or complete and sign the following:

As the owner of the land described in this application, I/we hereby authorize \_\_\_\_\_ to act as applicant in regard to this land development application.

## Declaration Pursuant to the *Environmental Management Act*

The following declaration should be completed only after the applicant has reviewed the [Contaminated Sites Regulation Schedule 2](#) and determined that the subject property has not been used for industrial or commercial activities as described therein. If the subject property has been used for any activities listed on Schedule 2, a Site Profile form must be completed and submitted to the SLRD with the completed application and appropriate fees.

I, \_\_\_\_\_, hereby acknowledge that the *Environmental Management Act*, 2003, is effective as of March 31st, 2005.

Based on my personal knowledge of the property in question, I do not believe that it is or has been used for any of the industrial or commercial purposes and activities specified in Schedule 2 of the regulations. Accordingly, I elect not to complete and submit a 'site profile', as outlined in Section 40(1) of the Act.

I further acknowledge that this election does not remove any liability, which may otherwise be applicable under the legislation.

\_\_\_\_\_
